

As a resident of Jonesboro Arkansas, I would like to petition you on behalf of K-LOVE radio station, FM 105.3, that you would not allow a LPFM station to have priority over their frequency.

K-LOVE serves this community well with their positive and encouraging message. I believe that it would be detrimental to take away this station. Many people listen and have been inspired by the things that are heard daily.

It would be in the best public interest to continue to allow K-LOVE to operate.

There are many stations that currently play pop, rock and country music. The choices for encouraging contemporary music are limited. We have a nine year old son that loves to listen as well. It is a station that crosses age, race and religious lines. It is appealing to all.

I hope that you will continue to allow K-LOVE to have a positive and encouraging impact on our city and listening area.

Respectfully,  
Kenny Dunigan
